Bring up the Character pictures to provide the children with some examples of the new characters they could use if they need them.</p> <p>Bring out a piece of A4 paper and fold it in half like you are making a card or use the 'New characters' activity sheet provided by school. Explain that today the children are going to create an innovated (changed) story of 'The Gruffalo'.</p> <p>Who will be their new character in their own story to go for a stroll instead of the mouse? Draw this new character on one half of the paper or on the first box of the 'The Gruffalo New Characters' sheet. Who is our new story going to be about instead of a Gruffalo? Draw a picture of this character on the second half of the paper or on the second box of the 'New characters' activity sheet.</p>	<p>Watch Numberblocks video –Six  <a href="https://www.youtube.com/watch?v=xZ9QSeqk2Vc">https://www.youtube.com/watch?v=xZ9QSeqk2Vc</a></p> <p>White Rose Maths – Growing 6,7,8! Children to think about the new characters that they thought about yesterday. Explain that today they are going to draw a modified story map using the new characters but with the same story structure as 'The Gruffalo' story. Use either blank paper with children creating a free drawing story map or the 'My Modified Story Map' template.

Ask the children: What picture should we draw first? What comes next? Complete the first few pictures of the story map up to the end of where the new character that replaces the mouse meets the new character that replaces the snake in the story. Recap over the use of arrows in-between the pictures to show the direction to follow when retelling the story. Can they use their phonics to label their pictures?

Children to retell their modified story that they started yesterday using their new character instead of a mouse e.g. 'A squirrel took a stroll through the deep dark wood'.....etc.... then the new character instead of the Gruffalo....'Oh help oh no it's a dinosaur!'

Children to then complete the next pictures on the story map. What picture can we use for the last page of the story? Ask the children to retell their story using their story map to help them. Can they remember the repeated story language from The Gruffalo original story?

Literacy Task-Record the children retelling their story using their story map. Please send the video to the Grindon Infant Reception e mail address with a photograph of the completed story map.

Understanding the World – World  
**Please collect a plant pot and seeds from the School Office today.**

We are going to be making our very own cress heads and observe how they grow over the next week or so.

Take a photograph of your face or draw a face to stick on your plant pot (this will make it look like you have crazy hair when your cress head grows) – place cotton pad at the bottom of your pot and separate it a little, sprinkle cress seeds into the pot, place it in a sunny spot and don't forget to water it!

Handwriting Focus-Names  
Fine Motor Skills Development Challenge  
Can you practise writing your full name with only a capital letter at the start of your first name and surname? Our challenge is to write

the coin to the treasure chest and if it is a nonsense/fake word then children to drag the coin to the bin. Challenge: If your child is able to read the words in this activity then extend by asking them to draw a line down a piece of paper and draw a bin at the top of one side and a treasure chest at the top of the other. Can they write the nonsense cvc words on the bin side and the real cvc words on the treasure chest?

your full name using something other than pen and paper and in more than one way. Some ideas you could use include:  
Water and a brush on the pavement;  
Glitter tray and finger;  
Icing sugar on a kitchen bench with cooking utensil,  
Shaving foam and a toothbrush;  
Anything else you decide to use!

Please take a photograph of your child writing their name and their completed name. We can't wait to see what you choose!
