Topics

This half term our work will be focussing on the story Owl Babies.

We will be completing lots of activities based on this story and finally writing our own version of the story by changing the characters. We will be making our own owl collages.

In Maths we will be doing lots of work on counting and place value before moving onto addition and subtraction work. This half term we will be looking at the geography of the local area.

Reading Books and Homework

Children will be sent home with a reading book and reading record. Please leave a comment in the record book each time your child reads at home. You will also be assigned books on bug club for you to read with your child.

A new homework book will be sent out with your child on Friday 10th September. Please complete the work and return this back to school on Friday 15th October.
